Problem description:

In May 2026 I sent to the UN Human Rights Council information regarding the denial of social assistance benefits by the "Social Assistance Directorate in Sliven" (located at "Popska" St. 11, city of Sliven, country Bulgaria, postcode 8800) in the country Bulgaria. This is their website:

https://asp.government.bg/

My name is Desislava Miteva Nikolova. My personal identification number in the country of Bulgaria is 8401295775.

The "Social Assistance Directorate in Sliven" refuses to pay social assistance benefits to me this year by breaking the law.

An employee of them with a name - Iurii (Yurii) Mitev - required me in May 2026 to register as unemployed and cease operations as a sole trader—specifically, work as an owner of my sole trader company "DESNET - Desislava Nikolova"—and to wait three months to receive the first social assistance payments. I requested social support because the income of my sole trader company "DESNET - Desislava Nikolova" is below the minimum wage in the country of Bulgaria for this and the previous years, i.e. 2026 and 2025.

On the 12th of August, Iurii (Yurii) Mitev explained that social benefits might not be granted to me again, and that if they are granted at all, I would have to

perform community service to receive them—specifically, sweeping the gardens and parks in Sliven for 40 hours a month.

The website for my company, "DESNET - Desislava Nikolova," is:

https://sites.google.com/view/desnet-2009/home

My company indetification number in the court of the city Sliven (country of Bulgaria) is 200795472. I have approximately 25 euro left in my bag and owe 60 euro for the rent. Please note that I cannot use a phone srvice anymore.

In addition, I sought homeless shelter in the city of Sliven (country of Bulgaria) 2 weeks ago in order to understand where to go for food and shelter. I found one one "Liuben Karavelov" St. 18 in the city of Sliven (country Bulgaria) but was directed back to the office where Iurii (Yurii) Mitev works by the director of the shelter. In the office of Yurii Mitev it was explained to me by other people that work there that there is no shelter for me because it is full and it is, I quote - "not a hotel" - where I can just stay.

Please note that I have not met Yurii Mitev in my life up to this year. I am 42 years old female with green eyes and medium brown hair. I am 172 centimeters tall and Caucasian. Yurii Mitev is not a relative of any kind to me and is a male with white hair and blue eyes, approximately 170 centimeters tall and Caucasian.

I look forward to your help.

Thank you in advance for your attention and help.

Hello,

In addition to the previous complaint against the "Social Assistance Directorate in Sliven" in the city of Sliven (located in the country of Bulgaria – an EU member state), please note that:

1) On the 19h of August, 2026 - yesterday - I am notified via e-mail by the Bulgarian Ombudsman – **Velislava Delcheva** - that the case is not going to be reviewed by the Bulgarian Ombudsman because she - the Bulgarian Ombudsman - deems the actions of the "Social Assistance Directorate in Sliven" in the city of Sliven (located in the country of Bulgaria – an EU member state) appropriate. In other words, she deems appropriate the actions of the 'Directorate for Social Support - Sliven' in the city of Sliven (located in the country of Bulgaria – an EU member state) and the person working there with a name – Yurii Mitev – appropriate. That said, she does not mind the country of Bulgaria leaving people without home (shelter), food and water. Please find attached letter from the Bulgarian Ombudsman – Velislava Delcheva - in Bulgarian language. The decision is taken by Velislava Delcheva – the Ombudsman of Bulgaria - **and is final,** as stated by Velislava Delcheva herself. The final official letter from Velislava Delcheva is sent to via the following email - delovodstvo@ombudsman.bg - by Velislava Delcheva.
2) Today (on the 20th of August, 2026), I visited again the "Social Assistance Directorate in Sliven" in the city of Sliven (located in the country of Bulgaria – an EU member state) in order to apply for a winter heating social (financial) support in order to apply to receive at least a one-time social (financial) support. Another representative of "Social Assistance Directorate in Sliven" in the city of Sliven (located in the country of Bulgaria – an EU member state) – who named himself as **Sasho Todorov** – declined to accept the one-time monthly support application and said that the winter heating social (financial) support is not approved and will be in review until the 15th of September 2026 when decision will be rendered.

He declined to process the application in front of me and processed it only after I insisted for an entry number. He filled in the entry number and gave the following number as an entry number – 7901. I inquired with the representative **Sasho Todorov** about the status of the previous application with an entry number – 7038 - which was processed by Yurii Mitev – and he claimed that the same will be also in review until September 15th , 2026. I have not met Sasho Todorov until last year when he started appearing in the "Social Assistance Directorate in Sliven" in the city of Sliven (country Bulgaria – an EU member state) as a part-time or full-time employee. He seems to be 60-70 years old man with gray hair, and about 1meter and 75-80 centimeters tall (also Caucasian as Yurii Mitev).

I have never had any personal or professional relationships with both Yurii Mitev and Sasho Todorov, as well as the Ombudsman of Bulgaria – Velislava Delcheva. I have never met Velislava Delcheva in my lifetime and have received only one electronic letter from her on my email on the 19th of August, 2026 in my personal email box:

desislava.miteva.nikolova.8401295775@outlook.com

I look forward to your help and investigation on the matter.

Kind regards,

Desislava Miteva Nikolova

Has the incident been reported to the relevant authorities?

Yes
Please include details of any complaints filed or any other action taken by the alleged victim(s) or anyone else on their behalf?

The relevant incident from the previous filings of complaints to this United Nations Human Rights Office of the High Commissioner with case references:

- d4w0w91s

- 1g2am7zo

was reported to the Ombudsman of Bulgaria but the same has declined to act on the incidents and closed the case indefinitely. A letter with a confirmation is provided with the documents from the cases above filed here.

Description of the incident

In relation to my previous 2 complaints, I want to disclose the following chronological events occurring after the events described in the previous 2 complaints:

- d4w0w91s

- 1g2am7zo

Please read below:

1) On the 30th of August 2026 I was given a printed note from the "Social Assistance Directorate in Sliven" (located at "Popska" St. 11, city of Sliven, country Bulgaria, postcode 8800) in the country Bulgaria to proceed to the Municipality of Sliven (Administrative Center) in the center of the city of Sliven in order to commence a mandatory 'public labor' and therefore be able to receive social support in September 2026. The note though was signed by the employee that issued the printed note (a young woman of height 160-165cm) as issued and signed on the 28th of August, 2026.
2) From the Municipality of Sliven (Administrative Center) - the same day -, a woman (named Miroslava) from the Social Services desk gave me a printed note to perform mandatory public labor at the Military Hospital in the city of Sliven with a name "Military Academy". She verbally stated that my supervisor's name is Plamen Peev. The exact location of the hospital is 'Aleksandar Pushkin' St. 21, postcode: 8804, the city of Sliven.
3) I went to the indicated hospital by the woman Miroslava – on the same day of the 30th of August 2026 – and found Plamen Peev who assigned me to be supervised by a senior-aged woman called Yanka in order to start mandatory public labor in the hospital.
4) I performed the 'mandatory' 10 day labor this month of September. Yet, today on the 18th of August 2026, the woman from the Municipality of Sliven (Administrative Center for citizens) named Miroslava claimed that I should wait to receive 'my salary' for the labor on the 15th next month, in other words a month later after the work has occurred.
5) Today I inquired with an employee named Julieta Dimitrova at the "Social Assistance Directorate in Sliven" (located at "Popska" St. 11, city of Sliven, country Bulgaria, postcode 8800) what is the status of the social security payment I have to receive this month. Please note that earlier in August 2026 (this year) I applied and for heating support for the upcoming winter and it was released by the Bulgarian Post (a company contracting with the

Bulgarian government to release payments such as pensions, social security support etc. to citizens) and this support was released by the Bulgarian Post office in the city of Sliven (Bulgaria) on Tuesday (the 15th of September) this week. I checked the same day and an employee at the "Social Assistance Directorate in Sliven" (located at "Popska" St. 11, city of Sliven, country Bulgaria, postcode 8800) confirmed that the amount of the payment is released and correct. Yet, today the employee Julieta Dimitrova at the "Social Assistance Directorate in Sliven" (located at "Popska" St. 11, city of Sliven, country Bulgaria, postcode 8800) claimed that the heating support payment is not released yet which is a lie and that I should not expect a payment this month for the 'mandatory' work (labor) at the Military Hospital I was sent to by other employees at her workplace at the "Social Assistance Directorate in Sliven" (located at "Popska" St. 11, city of Sliven, country Bulgaria, postcode 8800).

Information relating to poverty

I am left without means to buy winter clothing in Bulgaria and to pay my rent, water and food in full for the upcoming months and this month of September 2026.

Information relating to torture

The employees described in the complaints yell, use insulting words, smoke cigarettes in areas where it is forbidden to smoke in front of me, and threatened me with body postures and remarks using the security personnel hired at their locations of work.

Namely:

- A security employee (a female) at the Municipality Administration of Sliven city (country Bulgaria)

- A reception employee at the Directorate of Social support ... "Popska" St. 11, Sliven, Bulgaria, postcode: 8800.

- The employee with a name Janeta Dimitrova at the Directorate of Social support ... "Popska" St. 11, Sliven, Bulgaria, postcode: 8800.

- The employee with a name Yanka (a woman who is supposedly a chief cleaner) at the Military Academy Hospital in Sliven (country of Bulgaria). The same employee is assigned by a staff administrator with the name Plamen Peev to supervise my 'public labor' so that I can receive a social security support payment for unemployed this month of September 2026. The employee Yanka uses insulting words directed at me when she talks to me and claims that there is no way to tell the staff in the hospital staff not to smoke on the premises of the hospital. Smoking on the premises of public buildings and the hallways of residential buildings is prohibited by law in Bulgaria, therefore is illegal. The woman Yanka also uses hand sanitizing materials to clean floors in the building as well as surgical gloves instead of gloves for cleaning to clean and asks me to do the same which is dangerous and poisonous.

- The ‘mandatory’ labor is assigned by a woman who works at the Municipality of Sliven (administration services of citizens) at the Social Services desk, whose name is Miroslava, as well as by employees of the Directorate of Social support ... "Popska" St. 11, Sliven, Bulgaria, postcode: 8800. The woman Miroslava also smokes next to the door where the entrance of her workplace is so that the smoke enters in her workplace at the Municipality of Sliven (administrative services). Such actions - to smoke in such a proximity to an administrative building so that the smoke enters in the building - are illegal, therefore prohibited by law in the country of Bulgaria.

The website of the Hospital of the Military Academy can be found below. This is the contact page where the contact of their branch in Sliven is listed. Although the country of

Bulgaria is part of the European Union, there is no English version of the website so that other member countries of the European Union understand what is the website dedicate to:

https://www.vma.bg/%D0%BA%D0%BE%D0%BD%D1%82%D0%B0%D0%BA%D1%82%D0%B8.html

Please note that none of the people mentioned are my relatives and I have never met them until August and September this year.

Indication of the forces carrying out the torture.

The local and Bulgarian government hiring incompetent employees that break the law and signing contracts with firms that break the law such as the Bulgarian Post.

Description of the form and methods of torture used abd any injury sustained as a result.

Methods of torture:

- Canceling due social security payments.

- Enforcing illegal underplayed work.

- Spreading poisons such as poisoning with cigarette smoke or unauthorized cleaning materials.

Injuries sustained as a result:

- undernourishment caused by the inability to buy necessary daily food.

- lower hygiene due to inability to purchase required cleaning and hygiene materials and products for personal care.

- poisoning leading to pale face and skin on the body and brown lips.

Were any person, such as a lawyer, relatives or friends, permitted to see the alleged victim(s) during detention? If so, how long after the arrest?

Not relevant. For now, nobody has arrested me in the country posing as a policeman or an authority figure. Yet, I consider my present stay in Bulgaria a detention since I do not have the mean to leave voluntarily and escape torture voluntarily. I have a bachelor's degree with a GPA 5.21 and an excellent diploma defense as well as a Master's Certificate in Data Science with a Business Analytics concentration. My present stay in Bulgaria is designed by the government of Bulgaria so that my dignity is abolished as well as my self-esteem. I hitherto claim that Bulgaria is a country government by criminals and a relic. Most likely, the same if the status of the European Union given that this is the organization that

powers financially the criminals recognized as the Bulgarian government worldwide and inside the 'borders' of Bulgaria.

What was believed to be the purpose of the torture?

Criminals torture people to rob them and destroy their health and wellbeing. Criminals are part of Hell for people who are Christians. I am a Christian and consider the country of Bulgaria a designated location of crime, which in my faith is described as Hell.

Was the alleged victim(s) examined by a doctor at any point during or after victim's ordeal? If so, when? Was the examination performed by a prison or government doctor?

No, I do not have the means to attend a doctor. Doctors in the country of Bulgaria are criminals as well hence it is a mistake to trust each one of them as well.

Was appropriate treatment received for injuries sustained as a result of the torture?

No.

Was the examination performed in a manner which would enable the doctor to detect evidence of injuries sustained as a result of the torture? Were any medical reports or certificates issued? If so, what did the reports reveal?

No.

If the alleged victim(s) died in custody, was an autopsy or forensic examination performed and which were the results?

The victim, i.e. me - Desislava Miteva Nikolova - is still alive.

Please specify the number of alleged perpetrators:

5

Is the identity/occupation of the alleged perpetrator(s) known?

Yes

- The woman who is an employee at the "Social Assistance Directorate in Sliven'' (located at ''Popska'' St. 11, city of Sliven, country Bulgaria, postcode 8800) and signed with a back date a printed document issued by herself.

- The woman Miroslava working at the Municipality of Sliven (Administrative Center) at the Social Services desk.
- Plamen Peev - for hiring incompetent staff and breaking the law in Bulgaria by smoking at the premises of the Military Academy hospital where he works himself.
- Yanka - a subordinate of Plamen Peev at the Military Academy hospital (please see previous sections of torture to understand her violations against human rights).
- Julieta Dimitrova - breaking the law by lying at her workplace at the "Social Assistance Directorate in Sliven'' (located at ''Popska'' St. 11, city of Sliven, country Bulgaria, postcode 8800)

Were the alleged perpetrators State agents or believed to be State agents? *

Everyone expect for the employees of the hospital - 'Military Academy' - are state agents, namely:

Circumstances of the case

The court in the city of Sliven in the country of Bulgaria has ruled out in approximately 2006 that Mitko Nikolov Mihov and Nadia Hristova Mihova (the biological parents of Desislava Miteva Nikolova, i.e. myself) should not approach me because of their violent and illegal behavior, hence not live on the premises of 'Pleven' St. 22 in the city of Sliven in the country of Bulgaria where I was residing back there. They have violated the court order and Nadia Hristova Mihova has locked the premises on 'Pleven' St. 22 in the city of Sliven in the country of Bulgaria (postal code 8800) and lives there illegally and has threatened me not to return there since 2012. Before and since 2006 Nadia Hristova Mihova was taking my whole salary from the following workplaces while living illegally at the premises on 'Pleven' St. 22 in the city of Sliven in the country of Bulgaria (postal code 8800):

- "National Palace" - a hotel located at "Velikoknyazhevska" St. 31, in the city of Sliven in the country of Bulgaria. I worked there as a receptionist when I was approximatelly 21 years old.

- "Nachevi -90" - a furniture company located at the following address in the city of Sliven in Bulgaria at bul. "Trakia Sliven" 63. I worked there as a secretary when I was approximately 22 years old.

- A real estate office located next door to the central court in the city of Sliven in the country of Bulgaria headed by a manager with a name Mariola. I worked there as a real estate agent and was approximatey 23-24 years old.

- "Scopic Inc." - located in the USA at the following address: 11 "Apex" Dr Ste 300A PMB 2021

Marlborough MA 01752 USA; I worked for the company remotely as a software consultant from 2008 to 2011.

I was forced to leave my home on 'Pleven' St. 22 in the city of Sliven in the country of Bulgaria (postal code 8800) by Nadia Hristova Mihova, because she was threatening me to pay all her bills and give her my whole salary. I left forcefully in 2012 and departed to Chicago, USA, as a master's degree student because I saw that this way I can escape the violence of Nadia Hristova Mihova and her husband who was hiding illegally all the time perhaps somewhere on the premises of the house located on 'Pleven' St. 22 in the city of Sliven in the country of Bulgaria (postal code 8800), perhaps in the basements after the court case against him and his spouse Nadia Hristova Mihova in approximately 2006.

I couldn't pay my taxes and pensions while working for the "National Palace" hotel, the real estate agency managed by the local manager Mariola, and the company "Scopic Inc." because Nadia Hristova Mihova was managing to steal the whole salary that I was receiving through threats and violence while living illegally in my home located on 'Pleven' St. 22 in the city of Sliven in the country of Bulgaria (postal code 8800).

Please note that the police in Sliven in the country of Bulgaria very well see that Nadia Hristova Mihova lives illegally in my home, located on 'Pleven' St. 22 in the city of Sliven in the country of Bulgaria (postal code 8800) since approximately 2006 if there are not even more court cases against her given and her husband Mitko Nikolova given that she and he believed that they beat repeatedly my older biological sister Maria Miteva Nikolova as well as myself when we were under legal age.

- I am born on the 29th of January 1984 in the city of Sliven in the country of Bulgaria.

- My biological sister Maria Miteva Nikolova is born on the 6th of October 1982 in the city of Sliven in the country of Bulgaria.

I and my older sister have a much younger brother who is born on the 11th of June 1993. He is threatened presently the same way by Nadia Hristova Mihova (and her husband Mitko Nikolov Mihov) and all of his salary from his honest work is stolen the way mine and the salary of my sister Maria Miteva Nikolova was stolen by Nadia Hristova Mihova and her husband Mitko Nikolov Mihov in front of my eyes.

Has the Government taken action to prevent or investigate the incident, punish the perpetrators, or ensure compensation to the alleged victim(s)?

No

Description of the incident

Please provide a short chronological summary of the incident: what happened; when (date/time); who was involved? *

Please read about recent developments regarding citizens of Bulgaria who support the criminal activity of Nadia Hristova Mihova and Mitko Nikolov Mihov below. Refer to the pervious section 'Please include details of any complaints filed or any other action taken by the alleged victim(s) or anyone else on their behalf?' for thorough understanding of the court

actions in regard to the incident, i.e. criminal behavior, of Nadia Hristova Mihova and Mitko Nikolov Mihov in the city of Sliven in Bulgaria and beyond.

Please note that in our previous complaints to this UN – Human Right Council (Special Procedures department) are connected to people that support the criminal behavior of Nadia Hristova Mihova and Mitko Nikolov Mihov and their acquaintances that are breaking the law like them, i.e. by displaying violence and beliefs that are immoral and unlawful therefore harmful to the human dignity, freedom and happiness. The previous cases' numbers (the number of the complaints submitted here by me – Desislava Miteva Nikolova) are:

1) d4w0w91s
2) 1g2am7zo
3) Jigi4nud

Recent developments and more information about all these connected cases which include and this present case:

1) Hristo Kolev – the mayor of Neikovo which is a village in Kotel municipality in the country of Bulgaria where Mitko Nikolov Mihov is born on the 18th of August, 1962, claimed to me in December 2025 on the phone that the real first name of Mitko Nikolov Mihov is not Mitko but Dimitar. The legal name of Mitko Nikolov Mihov appears as Mitko Nikolov Mihov on my latest birth certificate issued as an official duplicate by the municipality of Sliven less than a year ago. Hristo Kolev claims that Mitko Nikolov Mihov has always been 'known' as Dimitar Nikolov Mihov instead, which is an illegal claim. In addition, less than a year ago a clerk from the administrative center of the municipality of Sliven claimed that Mitko Nikolov Mihov is dead, a claim his wife Nadia Hristova Mihova also maintains since the late spring of 2023. It is possible that Hristo Kolev hides the whereabouts the Mitko Nikolov Mihov by claiming that such a person does not exist in the village of Neikovo located in Kotel municipality in the country of Bulgaria.
2) A woman with a male haircut and glasses, and with light blond hair and blue eyes from an office of the firm "Bulgarian Posts" in the city of Sliven in the country Bulgaria refused to scan my ID card (identification card) to check for my due social support payment this month. The office is located at located at "Asenovska" St.1. The postal code is 8800. This location is in proximity to "Pleven"St. 22 (my home address with a postcode - 8800) that Nadia Hristova Mihova and Mitko Nikolov Mihov illegally and forcefully made me leave permanently in 2012. The woman from the office of "Bulgarian Posts" also claimed that she remembers that I have already taken the payment (a different payment this month) so I do not deserve the next one which is due. The woman is approximately the age of Nadia Hristova Mihova and apparently breaks the law and may be a person that have stayed in jail for the same.

It is highly likely that Nadia Hristova Mihova and Mitko Nikolov Mihov have been serving sentences in jail while I was forced to leave the country of Bulgaria because of their threats. The police in Sliven in the country in Bulgaria, in the city of Plovdiv

in Bulgaria, in the city of Burgas in Bulgaria, in the city of Varna in Bulgaria and in the city of Sofia in Bulgaria very well knew that Nadia Hristova Mihova and Mitko Nikolov Mihov break the law and did not arrest them for that nor removed them from my home since the court case when I testified against them about 20 years ago.

There are more recent developments, and I will keep sending them hopefully before the end of this working week, i.e. before the beginning of Shabbat.

Information relating to cultural rights

If the alleged violation relates to the right to access to, and enjoyment of cultural heritage, please provide information about such cultural heritage: whether it is recognized as national or internation cultural heritage; who is responsible for protecting/safeguarding and managing it; which communities have a specific interest in it; etc.

Please be aware that I observe the Jewish holiday – the Shabbat as well as the Jewish holiday Sabbatical – because Jesus Christ is also a Jewish. Once again, I am a Christian, i.e. a follower of Jesus Christ and a believer in God.

According to Nadia Hristova Mihova and Mitko Nikolov Mihov, God and the church are lies, and this is the worst blasphemy they speak to threaten others with the hell that lives in their hearts and minds. Many Bulgarians are very faithful people as well as many other people around the world.

The criminals Nadia Hristova Mihova and Mitko Nikolov Mihov want to forbid the heritage of the Bulgarian and western faith to others saying that Christmas celebrations and the Christian faith is imposed to Bulgarians by western countries such as the USA (i.e. the United States of America). Nadia Hristova Mihova and Mitko Nikolov Mihov self-identify with unions of tyranny such as the abolished Soviet Union because it was formed by people that forbid churches (temples of faith) on its territory. The criminals Nadia Hristova Mihova and Mitko Nikolov Mihov are extremely ignorant and do not understand anything which makes them that dangerous. The truth is that Bulgarians have accepted the Christian faith more than 1100 years ago and Bulgaria is an example of faith through the centuries not ignorance and tyranny. The people of the United States of America are also primarily Christian, i.e. faithful people, as well as many other people from all other countries around the world.

Do you believe the alleged victim was specifically targeted because of her/his ethnic or religious background, language, belonging to a particular group, etc? Please specify.

Yes. Please refer to the previous section.

In addition, please note that the criminals Nadia Hristova Mihova and Mitko Nikolov Mihov do not tolerate the legible and correct usage of Bulgarian, English (USA version) or any other

language. The criminals Nadia Hristova Mihova and Mitko Nikolov Mihov insult me verbally if I attempt to speak any language correctly in their presence.

Please note that a copy of my birth certificate is attached - it is only in Bulgarian language but will provide a translated version in English language hopefully by the end of the week in more related complaints to this complaint.

The main case I am trying to defend in this new case submission is lznq4s8b from yesterday - the 23d of September, 2026.

The case is dedicated to the fact that approximately 20 years ago my biological parents Mitko Nikolov Mihov (a biological father) and Nadia Hristova Mihova (a biological mother) have been forbidden by the court in Bulgaria (in the city of Sliven) to live with me and approach me. Instead since then have violated the court order continuously and did not leave the premises where I lived on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria - namely Nadia Hristova Mihova - and made me to leave my home there in 2012 permanently and still do not allow me to return there while living there unlawfully, i.e. against the court order against them from approximately 2006.

Description of the incident

Please provide a short chronological summary of the incident: what happened; when (date/time); who was involved? *

In this list below, I am providing more details to support case lznq4s8b from yesterday - the 23d of September 2026.

1) Please note that the reported Julieta Dimitrova from the social security office in the city of Sliven in the country of Bulgaria is about 65-70 years old and has brown hair and a Caucasian race. You can find information in regards to her actions in case Jigi4nud.

2) My biological father with a legal name in the country of Bulgaria (where I am born and a citizen of) is born on the 18th of August 1962. His wife (my biological mother) is born on the 19th of May 1962.

3) Nadia Hristova Mihova purportedly lives on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria. She holds keys to the house and enters, etas and sleeps there as witnessed by me in December 2024 and January 2025. She does not allow me to stay there without her presence (supervision), even to use the restroom without the same. I witnessed that she drives a big, black car of the company Jeep that is constantly parked in the house yard of the house on on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria. She claims that the car belongs to her biological son Aleksandar Mitev Nikolov. I was told that personally by her in October 2024 while she was in the car, in the driving seat and before she proceeded to drive the car. Since then I see her driving this same vehicle in the city of Sliven in the country of Bulgaria. The last time I have seen her doing it is approximately a month ago - i.e. in August 2026.

She appears and in the driver seat of a white car with the brand TESLA with her biological son Aleksandar Mitev Nikolov in the city of Sliven. I saw here twice in this car with him the driver seat this and last year.

The white TESLA car is often parked in the house yard of the house on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria. Nadia Hristova Mihova claims that her biological son lives with her on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria but that may not be true as well because he claims that he lives in the capital city of the country of Bulgaria - Sofia - on the social media website LinkedIn. In the house yard of of the house on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria are also parked since this year frequently the following two cars:

- An old model of a gray Audi 4-seat car.

- An old model of a dark brown Chevrolette Corvet 2-seats car.

4. Please note that the blinds of the house on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria are always down and it is not clear who resides or inhabits the house. Hence, Nadia Hristova Mihova and her husband Mitko Nikolov Mihov may have given it illegally to be rented to other people that are not aware that Nadia Hristova Mihova and her husband Mitko Nikolov Mihov are violent and that Mitko Nikolov Mihov has had alcohol addiction in the past that most likely persists. The same may be true for his legal wife Nadia Hristova Mihova. Alcoholism is a very

serious illness and people that are alcoholics are very dangerous for themselves and others.

5. Pease note, once again, that I have not lived on the premises of the house on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria from January 2012 and did not keep in touch with Nadia Hristova Mihova and Mitko Nikolov Mihov since then until approximately July 2024 when I attempted once again to return to my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria. Although in the summer of 2024 I explained to Nadia Hristova Mihova via the phone and in person that I need a shelter, she refused to give me keys to my home and let me live there. I found the phone number of Nadia Hristova Mihova from my sister Maria Miteva Nikolova in the beginning of the summer of 2024. I found my sister's contact on Facebook where she responded.

Information relating to freedom of opinion and expression

Please indicate any views, affiliations, past or present participation in political, social, ethnic or labour group/activity.

My personal view is that Mitko Nikolov Mihov and Nadia Hristova Mihova rea either severely sick and undernourished, hence regarded as alcoholics - i.e. mistaken for such or have really developed this disease - for more than 20 years already. I am a professional Psychologist and this is my personal professional opinion hence, personally I do not regard them as criminals but as very sick people that the court in 2006 never examined for their physical health.
To avoid penalty from the court in Bulgaria, publicly I have to regard them as perpetrators, i.e. people that break the law, i.e. as criminals.
Hence, please regards my public opinion as my real opinion of them.

Additional information

Please note that I graduated with a bachelor in Psychology with an excellent diploma defense in 2009 - i.e. much later than the date when the case against the aforementioned perpetrators completed. The university where I graduated from is "Varna Free University" in Bulgaria.

Case details

Please note that a person claiming to be Michael Molenda when I met him for the first time in the city of Chicago (the United States of America) who looks the following way - brown hair, brown eyes, Caucasian race and about 180 centimeters of heigh -

threatened me with the following when I met him occasionally from the period of 2013 to 2019:

1. A nuclear war waged from the country United States of America to the country of Iran (2019)
2. As a human being of female gender, claiming that he believes that in the country of Saudia Arabia, men have the right to kill their spouses if they believe that they commit fornication (2019)
3. That the country of the United States of America has no other history but of a slave owner and that people of black race are slaves, as well as that he has been thought to be a slaveowner. (2012 in December or January 2013 at a lunch in the Willis Tower restaurant in the city of Chicago, USA)
4. That he believes the Christophor Columbus has been travelling as a cannibal with other cannibals to the continents of North America before discovering it and that he believes that on the way he has prevailed in eating the most people of his ship and hence that's way he has arrived successfully on the continent of North America (2013, and as far as I remember in 2014 and 2015).
5. By drinking not only his alcohol drink but also and an alcohol drink he said I should have in a bar in 2013 in the city of Chicago of the country of the United States of America (January 2013).
6. By threatening with gestures and grimaces people with my profession in January 2013 - i.e. software programmers. This happened on my birthday on the 29th of January in 2013 in a restaurant called The Zebra in the city of Chicago in the country of the United States of America. Please note that I had wallpaper on my computer in the office where I worked then. That means that this man may somehow have entered in the office and used my computer illegally. He presented himself on the floor of my office for the first time in December 2012 as Michael Molenda and has used the name Mike as his short name in front of me. I have no knowledge of any other names that he may carry, content to have or use legally or illegally. At the time I worked in the CME Group's building on the 22nd floor in the city of Chicago in the country of the United States of America then for a company called Bolder Image. The manager of the office claimed to carry the name Marc (a Caucasian man with brown eyes, brown hair and about 172-175 centimeters tall at most) and my colleagues claimed to have the names - Pat (a Caucasian man with blue eyes and blond hair, looking about my age back then, i.e. 27 years' old; about 185 centimeters tall) and Ryan Sanders (a Caucasian man with brown eyes, brown hair and about 175 centimeters tall at most). I started working there in about August 2012 shorting after I had to leave my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria.

Has the incident been reported to the relevant authorities?

Yes

Yes, I reported the person who claims to be Michael Molenda to the Ministry of Internal Affairs of Bulgaria - more precisely, to the office in the city of Sliven in

Bulgaria and the capital city of Sofia in Bulgaria - in approximately November 2025 (i.e. last year). In result, nobody responded in the course of more than a month. Two purported policemen - a younger man (a Caucasian with brown hair, blue eyes and about 180 centimeters tall) who looks about my age appeared with his purported colleague (a much older looking man; very overweight; with white hair and blue eyes and about 175 to 180 centimeters of heights) - appeared on the premises of the building where I rent presently. I rent at my reported present location, i.e. "Dame Gruev" 15, entrance B, floor 5, apartment 5. The owner and landlord described on the contract for rent that I signed on the 6th of March 2025 is Kristian Yordanov Krumov. Kristian Yordanov Krumov merely gave me a notice via the phone software application called Viber that he wants to check the status of his property few days before he arrived with the two purported policemen described above. He never mentioned their intentions and needed lawful or unlawful presence at the property he claims he owns.
The purported policemen did not show their identification (i.e. identification cards) and demanded resolution of the case in regard to the information I have shared to them about the person who claims to be Michael Molenda (i.e. the person described in the case here).
The older person who purportedly was policeman decided to use the restroom of the property I rented without my permission and the person who was purportedly the other policeman wanted me to discuss the case against Michael Molenda (i.e. the person described in the case here) with him. I saw that what is happening is illegal, including that the behavior of Kristian Yordanov Krumov is illegal as well and explained on the paper sheet provided the younger man who claimed to be a policeman that the claims he brings in the printed papers he carries are baseless and refused to read what he carries in his hands. The younger man who purportedly was a policeman also did not request to see my identification card; hence he was there to receive a signature from literally anyone.
Hence, I believe that the government of Bulgaria has officially and formally not taken any action in a legal way.

Has the Government taken action to prevent or investigate the incident, punish the perpetrators, or ensure compensation to the alleged victim(s)?

No

The manager Marc fired me on my birthday on the 29th of January 2013.
In my opinion, the person described in this case as a person calming to be Michael Molenda is a real criminal who is not caught by a legitimate court and has had the belief that he can demolish the home of my own parents since 2000 or earlier. Please

note that my home and of my own parents Mitko Nikolov Mihov and Nadia Hristova Mihova may have been stolen since the ruling of a purported judge in the court of Sliven in the country of Bulgaria. I remember very well the look of the woman who was purportedly a judge back then. The woman was about 170 centimeters tall, with a male haircut and eyeglasses.

Information relating to poverty

Most of al, I would like to let you know that me and my family (i.e. my parents and direct relatives) are believed to have no home by people that trespass the law of legitimate courts and God.

Please specify the number of aleged perpetrators: 1

Is the identity/occupation of the aleged perpetrator(s) known?
No

Were the alleged perpetrators State agents or believed to be State agents?
Don't know

If an identification as State agents is not possible, why is it not possible and do you believe that Government authorities or persons linked to them are responsible for the incident?

I am not aware of any factual information proving the real legal name of the person who claims to be Michael Molenda, i.e. Mike for short. I am referring to the person described in this case - about 180 centimeters tal, brown eye color, brown hair (purportedly because the hair may have been died. Please note that the same person looks much older than me.

Circumstances of the case

Case details

Please specify:
I would like to submit a human rights violation complaint against the following persons:
- Mitko Nikolov Mihov (my biological father according to my present birth certificate) - born on the 18th of August 1962.
- Nadia Hristova Mihova (my biological mother according to my present birth certificate) - born on the 19th of May 1962.
- Maria Miteva Nikolova (my biological sister) - born on the 6th of October 1982 in the city of Sliven in the country of Bulgaria.
- Aleksandar Mitev Nikolov (my biological brother) - born on the 11th of June 1993 in the city of Sliven in the country of Bulgaria.
Please note that according to me the persons above are not innocent for their human rights violations against me (as it may be hinted in the previous complaints submitted by me). I deem the court in the country of Bulgaria just in all verdicts (known or unknown to me) that have been issued against them. Please find more details related to my claim in this complaint in the next sections of the complaint (with ID: **it9l0k20)** I am submitting here.
Please note, once again, that my legal name is Desislava Miteva Nikolova. I am born on the 29th of January 1984 in the city of Sliven in the country of Bulgaria. My personal identifiable number in the country of Bulgaria is 8401295775. I have only Bulgarian citizenship awarded to me at birth.

Has the incident been reported to the relevant authorities?
Yes.

I reported the incident to the relevant authorities this last Sunday - on the 27th of September 2026. The authority is the central office of the police in the city of Sliven in the country of Bulgaria. The location of the office is "General Skobelev" St. 5, city of Sliven, country of Bulgaria, postcode: 8800. The name of the office is "Regional Department of Interior". They are a police department and are part of the Ministry of Internal Affairs (MIA) in the country of Bulgaria.
The complaint in the above-mentioned office submitted by me contains a detailed letter about the illegal actions of:
- Mitko Nikolov Mihov (my biological father according to my present birth certificate) - born on the 18th of August 1962.
- Nadia Hristova Mihova (my biological mother according to my present birth certificate) - born on the 19th of May 1962.

- Maria Miteva Nikolova (my biological sister) - born on the 6th of October 1982 in the city of Sliven in the country of Bulgaria.
- Aleksandar Mitev Nikolov (my biological brother) - born on the 11th of June 1993 in the city of Sliven in the country of Bulgaria.

All persons above have agreed that I do not have the right to return to my home on "Pleven" St. 22, in the city of Sliven, in the country of Bulgaria, and have employed threatening and violent behavior against me since 2005 (at least) to implement their illegal intentions.

Please note that I still do not have the key to my home on "Pleven" St. 22, in the city of Sliven, in the country of Bulgaria since January 2012 when Nadia Hristova Mihova took them with threats and illegally from my hands on "Pleven" St. 22, in the city of Sliven, in the country of Bulgaria.

In my complaint to the above-mentioned police department in the city of Sliven in the country of Bulgaria, I asked the police to return the keys to me to my home on "Pleven" St. 22, in the city of Sliven, in the country of Bulgaria and to remove the unlawful presence in my home on "Pleven" St. 22, in the city of Sliven, in the country of Bulgaria, of the four above-mentioned individuals - Mitko Nikolov Mihov, Nadia Hristova Mihova, Maria Miteva Nikolova and Aleksandar Mitev Nikolov - and any other individuals that are residing and/or entering illegally there, i.e. are not my spouse (legal husband) or children.

The name of the inspector who accepted my complaint to the above-mentioned police department is Ivan Ivanov. He is a Caucasian man, about 180 centimeters tall, and visually of 60 years of age or older.

Description of the incident

Please note that my complaint is related to the following cases submitted to the Human Rights Council of the United Nations (Special Procedures):

- d4w0w91s
- 1g2am7zo
- Jigi4nud
- 0d144uo5
- 21jya7zf

There are details about the illegal behavior of Mitko Nikolov Mihov and Nadia Hristova Mihova. Yet not sufficient details about the illegal behavior of Maria Miteva Nikolova and Aleksandar Mitev Nikolov. I will supply more details about the illegal behavior of Maria Miteva Nikolova and Aleksandar Mitev Nikolov in the subsequent complaints here.

Please note that Mitko Nikolov Mihov and Nadia Hristova Mihova have been violent against me since I was 2-3 years old.

- Nadia Hristova Mihova kept covering me with bed sheet that can cause suffocation so that she can watch TV (television) and kept screaming that I should not look using insulting Bulgarian words when I was 2-3 years old. In addition, Nadia Hristova Mihova kept me on my knees on the floor in the living room and yelled at me to start eating stale pork soup that was rotten and foul smelling and threatened me with insults and beatings to eat it when I was 5 years old. I do not deem Nadia Hristova Mihova as my real mother and I believe that the court in the city of Sliven in the country of Bulgaria believe the same and are correct. Please note that Nadia Hristova Mihova claims repeated that she has changed her name from Nanka (purportedly the name of her grandmother) to Nadia Hristova Mihova. She claimed lastly that in December 2024.
- Mitko Nikolov Mihov tried to suffocate Nadia Hristova Mihova when I was 4 years old and I had to tap his back to leave her alone and then he let her go and threatened me with a fist. I do not deem Mitko Nikolov Mihov as my legal parent because of his violent behavior against me during the years when he was in proximity to me because Nadia Hristova Mihova claimed that this is her legal husband. Please note that he is still listed as such on my birth certificate, which is legally incorrect. Showing Nadia Hristova Mihova as a parent on my birth certificate is also legally incorrect.
When I was 2-3 years old Nadia Hristova Mihova lived on “Vasil Levski” square in the city of Sliven in the country of Bulgaria. When I was 4-5 years old, Nadia Hristova Mihova lived on “Todor Ikonomov” St. 2, in the city of Sliven in the country of Bulgaria.
Nadia Hristova Mihova kept sending me to the nearby kindergarten on “Todor Ikonomov” street when I was 4-5 years old but then Maria Miteva Nikolova (who is 2 calendar years older than me) kept leading me there through the roads and crosswalks.

Information relating to cultural rights

Nadia Hristova Mihova does not value education and threatens people that have university degree and higher university education like me. Mitko Nikolov Mihov has a similar attitude, i.e. according to him one should study something only if they are paid a lot of money after that. The above beliefs and behavior are the beliefs of criminals.
In the last at least 10 years (i.e. people of legal age) Maria Miteva Nikolova and Aleksandar Mitev Nikolov share the same beliefs.
In 2006-2007 Maria Miteva Nikolova started insulting in front of me with words people that ask her to work at the bank and have higher level

education from universities. In 2015 Maria Miteva Nikolova claimed in the city of Sofia in the country of Bulgaria that she takes illegally the drug ephedrine because she needs it to run and win competitions. Since then, I disconnected entirely with Maria Miteva Nikolova until 2023 when I asked her if she has the phone number of Nadia Hristova Mihova. I wanted to ask one more time Nadia Hristova Mihova if she is happy to return me the key to my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria and leave voluntarily. Maria Miteva Nikolova responded that she does and that I cannot live with her and have to ask Nadia Hristova Mihova if I can live in my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria. Subsequently in 2025 in Bulgaria, Maria Miteva Nikolova kept repeating on the phone that I have to take illegally pills or find a doctor to give me pills of some sort to make me feel better while I have never complained to her that I feel bad in this year nor that I need a doctor. Maria Miteva Nikolova trespasses the law by attempting to convince people to self-medicate, i.e. to break the law and is perhaps of circles of a ring of illegal trafficking of drugs.
Please note that in 2008 and 2009 Nadia Hristova Mihova supplied illegally drugs from her friend Yura (a woman of approximately her age who claimed to work at an exchange bureau). The drugs were steroids. The name of the steroid injections supplied illegally to Nadia Hristova Mihova in 2008 is "Prima Bulana". Please note that I did not have doctor's prescription or examination to be forced to take these drugs. Nadia Hristova Mihova threatened me to take these drugs for 3 months in the Spring of 2008 and for 1 month in the Autumn of 2009. Since 2008 or even earlier Nadia Hristova Mihova was threatening Maria Miteva Nikolova to take illegally drugs the same way while Maria Miteva Nikolova lived on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria.

Do you believe the alleged victim was specifically targeted because of her/his ethnic or religious background, language, belonging to a particular group, etc? Please specify.

Yes, Nadia Hristova Mihova targets people specifically and manages to confuse them by:
- using false identity as the name Nanka and the name Nadejda. Please note that another name Nadia Hristova Mihova may believe that she has is Nadejda.
Mitko Nikolov Mihov also targets people specifically by using the above techniques about his identity.

Maria Miteva Nikolova imitates Nadia Hristova Mihova by pretending to be a coach purportedly in the city of Sofia in the country of Bulgaria.
Meaning that Maria Miteva Nikolova claims to be a coach without having education as a coach. Nadia Hristova Mihova also claims to be a coach for more than 40 years without having the education to be one.
Mitko Nikolov Mihov claims to be a carpenter for about 40 years or more without having the education to be one.
Aleksandar Miteva Nikolov claims to be a business co-owner without having education in business. Aleksandar Miteva Nikolov claims to be "prodigy" on the internet platform LinkedIn, i.e. genius or a miracle of some kind without being attested by an official body as such by the "The Guinness Book of World Records" or a similar organization. Given the history of Nadia Hristova Mihova as an illegal drug supplier, Aleksandar Miteva Nikolov may be drugged with illegal drugs by Nadia Hristova Mihova this very moment. Nadia Hristova Mihova claimed that she lives in Aleksandar Mitev Nikolov in my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria in October 2024. Then she met me with a big car with the brand Jeep at the central bus station in the city of Sliven in the country of Bulgaria, claiming that she cannot once again let me in my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria because Aleksandar Miteva Nikolov lives there and the car she drives is his.
In approximately July 2023 Aleksandar Miteva Nikolov posed on the internet like he lives on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria, when I asked him if I can return to live on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria. He responded that he has to ask Nadia Hristova Mihova to allow for me to return to my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria.
I lived, worked and studied abroad - in the USA, UK, Ireland and Canada - since January 2012 when Nadia Hristova Mihova took from my hand illegally the key to my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria while she was in the same home.

One is bid to respect their parents in the Holy Bible and by the 10 commandments of God. Disrespect of one's parents is a mortal sin. Hence, a court that rules against the parents of anyone or asks anyone to testify against their own parents is a criminal organization and not a court.

- who are my legal parents and siblings are withdrawn by me, hitherto, in writing with this very statement of withdrawal of the complaints – written or verbal if they exist - as I do not deem the decision of the court in Sliven, Bulgaria, to sue my own parents in 2006 legal. To sue the parents of anyone is anathema and against the 10 commandments of God in the Holy Bible. The Holy Bible is book of my faith of a Christian. One is bid to respect their parents in the Holy Bible and by the 10 commandments of God. Disrespect of one's parents is a mortal sin. Hence, a court that rules against the parents of

anyone or asks anyone to testify against their own parents is a criminal organization and not a court.

This summer met a woman calling herself Kina and claiming to have a daughter Victoria in a local church in the city of Sliven in the country of Bulgaria. The church name is "Sveta Bogoroditsa" and it is located on Tsar Osvoboditel Blvd. 1 in the city of Sliven.
The woman first pretended not to recognize me but to recognize my own mother Nadia, calling me repeatedly with her name.
She claimed that she works there for approximately 350 euro a month.
Then she claimed that there is no work in the church because I went to the church to look for work.
I met for the first time the woman that call herself Kina when I was about 2-3 years old when she brought another child she called Viki (with a big name Viktoria) to my mom's and dad's apartment on 'Todor Ikonomov' street 2, in the city of Sliven in the country of Bulgaria. The child Vitkoria (as Kina calls her) is of female gender and was also 2-3 years old when the woman calling herself Kina brought her home and presented her as her own daughter to my own parents.
Since then I have met the woman calling herself Kina few times while she pretended to be a friend of my parents.
The woman calling herself Kina even insinuated to my mother that she has been fornicated with my father Mitko when I was 7-8 years old.
The woman claimed one that she has been divorced from her real husband, she called in front of my parents Misho, when her daughter Victoria (as she claims) has been 6 years old. She claimed this in front of me this summer when I went to the local church "Sveta Bogoroditsa" on Tsar Osvoboditel Blvd. 1 in the city of Sliven where I met her accidentally because I did not expect to meet her without the presence of a priest or other staff in the church. My mother - Nadia Hristova Mihova - mentioned approximately a year ago before that the woman that claims that her

name is Kina has started to work there. The woman that claims to be called Kina has met my mother on the street claiming that.
It is unlawful to work in a church if you claim that you are a divorcee, since divorce is a blasphemy, not to mention to sit in a temple of God and blasphemy, i.e. talk about divorce.
The woman who claims to be Kina has blue eyes, supposedly naturally blond hair and short male haircut. She occasionally wears transparent glasses and is a little bit shorter than me or almost my height of 172cm. She is normal to medium obese weight.

Description of the form and methods of torture used abd any injury sustained as a result.
There is nothing worse than hearing someone speaking against God.

Were any person, such as a lawyer, relatives or friends, permitted to see the aleged victim(s) during detention? If so, how long after the arrest?
No detection was commited

What was believed to be the purpose of the torture?
Merely the woman that claims to be Kina is a harlot from hel according to the Holy Bible - the book of al Christians. According to the Holy Bible, people that blasphemy (speak against God) are penalized to live forever in Hel. According to the Holy Bible, people from Hel believe to torture others and that is their own torture, hence their penalty is their Satanic Beliefs. Yet, the purpose of the people from Hel is to torture others and its meaning is Satanic. People from Hel believe that they torture others to serve the Devil, i.e. Satan.

Was the aleged victim(s) examined by a doctor at any point during or after victim's ordeal? If so, when? Was the examination performed by a prison or government doctor?
No. Yet, I have a degree in Psychology, i.e. I am a Psychologist and know how to heal myself from the words of people who live in Hel, such as the woman who claims to be Kina.

Was appropriate treatment received for injuries sustained as a result of the torture?
I have a degree in Psychology, i.e. I am a Psychologist and know how to heal myself from the words of people who live in Hel, such as the woman who claims to be Kina.

Was the examination performed in a manner which would enable the doctor to detect evidence of injuries sustained as a result of the torture? Were any medical reports or certificates issued? If so, what did the reports reveal?
I have a degree in Psychology, i.e. I am a Psychologist and know how to heal myself from the words of people who live in Hel, such as the woman who claims to be Kina.
If the aleged victim(s) died in custody, was an autopsy or forensic examination performed and which were the results?
I am a Christina. According to Christians, only people from Hel believe that death exist. Hence the question is a blasphemy, and I cannot answer it.

Please note that since 2013, Michael Molenda claims to have 3 conceived children who were approximately teenagers then which is visible from his Facebook account. His Facebook account can be found at:

https://www.facebook.com/michael.molenda1/

He claimed from 2013 up and including since the last time I met him in 2019 that his children are:
- Jane Molenda
- Leah Molenda
- Claire Molenda

These are 3 females.
From the Facebook account of Michael Molenda is suggested that Sara Molenda is the wife of Michael Molenda.

Yet, given the beliefs against humanity and God of Michael Molenda, most likely his claim that he has 3 daughters who are conceived approximately 20-30 years ago are false, as well as the suggestion that his wife is Sara Molenda.

The communications and the communications' report reference numbers, if known: Reference: 21jya7zf Details: Please note that according to my observations from the Facebook account of the person who claims to be Michael Molenda, the person who claims to be Michael Molenda may actualy be a son of Sara Molenda; Claire Molenda is most likely his next sibling (although much younger than him); Jane Molenda and Leah Molenda are other 2 siblings of his and most likely he has a younger brother (the youngest of his siblings). Hence, most likely, the man that claims to be Michael Molenda is the brother of Claire, Leah and Jane and not at al their father as he claims. These are my observations and conclusions that I reached based on the immaturity of the character of the person who claims to be Michael Molenda and his Facebook account on the internet. Yet, please be advised that I have never seen the legal name of the man that claims to be Michael Molenda on a national identification document of his and of his "family" so my conclusions in this present report (with a reference: rhum8rp0) are based on intuition and cannot be counted as legal evidence until further factual evidence is obtained in regards to the same.

In addition to the disclosed details about Michael Molenda, please note that I suspect that Michael Molenda may have impersonated via a company called Scopic Inc. (formerly Scopic Software) my father-in-law Timothy Burr with a small name John.
Please note that from 2008 March to 2011 November I worked for the same company but through the internet. Supposedly, the company is headed by my father-in-law John (Timothy Burr) which is displayed on the internet on the company website, but I am not sure that this is the case

because my father-in-law John did not recognize me nor my family on the picture on the internet and via my name, hence I do not think that this was him at all on the internet.
I communicated only via Skype with the head of the company called Scopic Inc. (formerly Scopic Software) who was claiming to be Timothy Burr, i.e. my father-in-law. Once, again I suspect that the person that impersonates my father-in-law that way is Michael Molenda.
Later I worked for the company Scopic Inc. (formerly Scopic Software) from August 2022 to February 2023, and from June 2024 to October 2024.
I have worked only remotely for the company Scopic Inc. (formerly Scopic Software) as a software consultant and data analyst, and have never met the head of the company in person or any of the collogues except for one former and one present employee who appeared in Chicago after I quit. Hence, I have not met any of the employees of Scopic Inc. (formerly Scopic Software) while working at the company Scopic Inc. (formerly Scopic Software).

The additional (follow up) information to the complaint described above is the following - I doubt that the following people may have created the blasphemy about my husband Svetle and his mother Anna:

1) A woman calling herslef Irina. The woman who claimed to be Irina in front of my mother Nadia Hristova Mihova more than 40 years ago, claimed to my mother that she - Irina - intends to commit suicide through hanging herself. She claimed this in front of my mother continuously. Claims of an intent to commit suicide are a blasphemy and speaking about such acts in front of other people is usually intentional and are done to scare the person. The woman that claims to be Irina may have claimed in front of my mother that she wants to commit suicide by hanging in order to threaten my mother Nadia Hristova Mihova with such death. People like the woman that claims to be Irina are mortal sinners and live in Hell.

2) A man calling himself Stefan Petkov. That man was claiming to be a teacher of first and second grade students in the High School "Peyo Yavorov" in the city of Sliven (country of Bulgaria) from 1990 to 1991 (including). He believed that he molests children in the school, i.e. children that are 6 and 7 years old. Such people are described in the Holy Bible as the eternally damned. The man who is claiming to be Stefan Petkov was assigned as my 'teacher' when I was first and second grade in the High School "Peyo Yavorov" in the city of Sliven (country of Bulgaria).

3) A man calling himself Yuri Litvinski. That man claimed to be 19 years old (over legal age) when he asked me to follow him in the park across

the house of my parents' house. My parents' house was near the main stadium in the city of Sliven (country of Bulgaria). Then I was 16 years old. The man claiming to be Yuri Litvinski believed that he successfully commits pedophilia, i.e. that he "dates" someone under legal age. My mother is a track-and-filed athletics' coach, and we were visiting often the main stadium when I was 16 years older, before that, and later because she works there.

apparently the place was keptextremely hotand it was not good for smallchildren or foranyoneatall. In other words, mymother Nadia did not

Please note that on the 15th of October 2026, Bulgarian posts paid the following payment to me for the forced labor at the "MBAL - Voenna Akademia" is the city of Sliven in the country of Bulgaria which was assigned to me by the "Municipality of Sliven" - social services desk - and the representative there calling herself Miroslava:
- approximately 380 euro. On approximately of the 5th of Octomber, the Social Services office in the city of Sliven told me and more specifically the person calling himself Yuri Mitev, that there are 50 euro at the post office waiting to be collected to me and are paid out because there is inflation in Bulgaria, hence that complements my payment for the forced labor at the "MBAL - Voenna Akademia" is the city of Sliven. The money was disbursed by the post office (the firm "Bulgarian Posts") the same day to me.
The firm "Bulgarian Posts" disburses money only if the person that has to receive the money shows their own personal national identification card. Please note that in October (this year) I most purposefully kept my personal national identification card with myself. While in September 2026 (this year) I made the mistake to leave it with the woman claiming to be Yanka at the "MBAL - Voenna Akademia". Hence, I suspect that in September 2026 Yanka or the people who are showing at the "MBAL - Voenna Akademia" may have stolen the card to withdraw the money from a post office of "Bulgarian posts".

Please note that in the first week of October 2026 (this year) I was sent with a new note from the woman calling herself Miroslava at the "Municipality of Sliven" (social desk services) to perform forced labor (cleaning of the yard) at "Kindergarten Zornitsa". The conditions were the same - I had to be there for 10 business days 2-4 hours a day while the work continues without a break. The woman that is assigned to be the boss at this place is calling herself Yordanka.
She is very rude and yells all the time and says one thing to be done and then appears suddenly yelling that something else should be done. Yordanka looks about 60 years old is about 160cm tall, has blue eyes and very short male haircut. Yordanka is obese and does not appear to do any work at the kindergarten. She is someone who hides all the time in the basement of the kindergarten and can be found only if one calls via very strange telecom at the so-called kindergarten. I am sure that it is not legal to separate parents from their children, especially children that are under legal age. And at the so-called "Kindergarten Zornitsa" Yordanka and few other women demonstrate that something like this is happening every morning which may be complete lie. I.e. the woman that calls herself Yordanka might be merely a woman who lies that this is a kindergarten together with the woman calling herself Miroslava. Supposedly the "Kindergarten Zornitsa" is located at "Stoian Zaimov" 83 but this might be merely a place

where people live. Once women on the inside thought that I am calling out a child via the intercom, and I explained that I am calling out an adult who presents herself as a head of cleaning and calls herself Yordanka. Hence, the woman that calls herself Yordanka in my opinion is merely someone very evil who is trying to lure a very small child with a real name Yordanka out of her home where her parents are.
I am carrying my personal national identification card with me this whole month of November (thus far) - actually in a paper pocket made from paper with an attached tie by using an adhesive office tape so that I can place it around my neck and check every day if it is with me.
The woman who claims to be Yordanka in the building located in "Stoian Zaimov" 83 (i.e. the so-called "Kindergarden Zornitsa") in the city of Sliven in the country of Bulgaria is told me on Monday (November 2nd, 2026) that perhaps I should work again there this month to receive my social welfare payments and to check the day after.

Details: I appeared in the so-caled "Kindergarten Zornitsa" by the women who cal themselves Miroslava and Yordanka on Tuesday (the 3d of November 2026 - i.e. yesterday). A strange woman who appears also at the same location - a woman with

a lot of make-up; obese; with blue eyes and short light-blond haircut to her shoulders - rushed to tel me that the woman that claims to be Yordanka is in "division 3" of the building, after I ran on the first telecom in the so-caled "division 1" of the building. The same woman that explained quickly where the woman that cals herself Yordanka yesterday, is also very rude person who yels occasionaly where the leaves should be cleaned "immediately" when she appears in the yard around the building. Yesterday I rang via the telecom on the outer front door of the telecom of the so-caled "division 3" of the building and the woman who cals herself Yordanka appeared in the basement without climbing the stairs to the front door and started waiving her fist and yeling to me to "go away" and never to come back. The woman that is caling herself Yordanka (most likely by using the real name of a smal child or the insinuating that the child has her name) in the building also carried lists for the forced labor I should perform at the so-caled "kindergarten" and asked me to sign every day after I complete the forced labor work and counted exactly 10 business days of forced labor work for September 2026. The woman that cals herself Miroslava at the "Municipality of Sliven" - social services desk - claimed yesterday that she does not know yet where I wil be assigned to perform forced labor this month of November. According to the people who claim to be Yuri Mitev, Sasho Todorov and Julieta Dimitrova as wel as the other people mentioned by me in previous cases to you (The UN Human Rights Council - Special Procedures), as wel as the women that claim to be Miroslava, Yanka and Yordanka, I should continue to perform forced labor to receive my social security support for low-income and/or unemployment. That is and according to the women from room 17 and 18 in the "Burau of Labor" in the city of Sliven in the country of Bulgaria. Once again, the people that claim to be Yuri Mitev, Sasho Todorov and Julieta Dimitrova as wel as the other people mentioned by me in previous cases to you (The UN Human

Rights Council - Special Procedures) work (or pose to work) at the Social Security O fice in the city of Sliven in country of Bulgaria (located on "Popska" 11 in the city of Sliven in the country of Bulgaria). The woman that claims to be Yanka works (or poses to work) at the "MBAL - Voenna Akademia" (located at "Aleksandar S. Pushkin" 21 in the city of Sliven in the country of Bulgaria). The woman that claims to be Yordanka works (or poses to work) at the "Kindergarten Zornitsa" (located in "Stoian Zaimov" 83 in the city of Sliven in the country of Bulgaria).

Next submit the following:

1. Car at the so-called kindergarten – registration number: SN 1724 AN (with Cyrillic letters); a strange old man putting the old car with this registration number on so that the exhausts are coming in the air exactly where I clean.

2. Strange man on the streets in Sliven calling himself a chimney cleaner and carrying an iron net with dangerous endings; he rushes after me and keeps yelling “God bless you” without walking away...

3. Strange woman (very short with dark short hair and Mexican looking) with a man who both dig in the bins in the city of Sliven in the country of Bulgaria and ask me for money but if they receive them buy alcohol and cigarettes with the money. Also, the woman threatened me with a cigarette lighter when I gave her peanuts, i.e. food.

4. Beggars for money in front of the central Billa store and Kaufland store (near the central bus station) who beg only for money and refuse to receive food when I give them and threaten me and follow me if I do not give them money.
