Details:
I appeared in the so-called "Kindergarten Zornitsa" by the women who call themselves Miroslava and Yordanka on Tuesday (the 3d of November 2026 - i.e. yesterday). A strange woman who appears also at the same location - a woman with a lot of make-up; obese; with blue eyes and short light-blond haircut to her shoulders - rushed to tell me that the woman that claims to be Yordanka is in "division 3" of the building, after I ran on the first telecom in the so-called "division 1" of the building. The same woman that explained quickly where the woman that calls herself Yordanka yesterday, is also very rude person who yells occasionally where the leaves should be cleaned "immediately" when she appears in the yard around the building.
Yesterday I rang via the telecom on the outer front door of the telecom of the so-called "division 3" of the building and the woman who calls herself Yordanka appeared in the basement without climbing the stairs to the front door and started waiving her fist and yelling to me to "go away" and never to come back.
The woman that is calling herself Yordanka (most likely by using the real name of a small child or the insinuating that the child has her name) in the building also carried lists for the forced labor I should perform at the so-called "kindergarten" and asked me to sign every day after I complete the forced labor work and counted exactly 10 business days of forced labor work for September 2026.
The woman that calls herself Miroslava at the "Municipality of Sliven" - social services desk - claimed yesterday that she does not know yet where I will be assigned to perform forced labor this month of November. According to the people who claim to be Yuri Mitev, Sasho Todorov and Julieta Dimitrova as well as the other people mentioned by me in previous cases to you (The UN Human Rights Council - Special Procedures), as well as the women that claim to be Miroslava, Yanka and Yordanka, I should continue to perform forced labor to receive my social security support for low-income and/or unemployment. That is and according to the women from room 17 and 18 in the "Burau of Labor" in the city of Sliven in the country of Bulgaria.
Once again, the people that claim to be Yuri Mitev, Sasho Todorov and Julieta Dimitrova as well as the other people mentioned by me in previous cases to you (The UN Human Rights Council - Special Procedures) work (or pose to work) at the Social Security Office in the city of Sliven in country of Bulgaria (located on "Popska" 11 in the city of Sliven in the country of Bulgaria).
The woman that claims to be Yanka works (or poses to work) at the "MBAL - Voenna Akademia" (located at "Aleksandar S. Pushkin" 21 in the city of Sliven in the country of Bulgaria).
The woman that claims to be Yordanka works (or poses to work) at the "Kindergarten Zornitsa" (located in "Stoian Zaimov" 83 in the city of Sliven in the country of Bulgaria).
