Details:
Please note that on the 15th of October 2026, Bulgarian posts paid the following payment to me for the forced labor at the "MBAL - Voenna Akademia" is the city of Sliven in the country of Bulgaria which was assigned to me by the "Municipality of Sliven" - social services desk - and the representative there calling herself Miroslava:
- approximately 380 euro. On approximately of the 5th of Octomber, the Social Services office in the city of Sliven told me and more specifically the person calling himself Yuri Mitev, that there are 50 euro at the post office waiting to be collected to me and are paid out because there is inflation in Bulgaria, hence that complements my payment for the forced labor at the "MBAL - Voenna Akademia" is the city of Sliven. The money was disbursed by the post office (the firm "Bulgarian Posts") the same day to me.
The firm "Bulgarian Posts" disburses money only if the person that has to receive the money shows their own personal national identification card. Please note that in October (this year) I most purposefully kept my personal national identification card with myself. While in September 2026 (this year) I made the mistake to leave it with the woman claiming to be Yanka at the "MBAL - Voenna Akademia". Hence, I suspect that in September 2026 Yanka or the people who are showing at the "MBAL - Voenna Akademia" may have stolen the card to withdraw the money from a post office of "Bulgarian posts".
Please note that in the first week of October 2026 (this year) I was sent with a new note from the woman calling herself Miroslava at the "Municipality of Sliven" (social desk services) to perform forced labor (cleaning of the yard) at "Kindergarten Zornitsa". The conditions were the same - I had to be there for 10 business days 2-4 hours a day while the work continues without a break. The woman that is assigned to be the boss at this place is calling herself Yordanka. She is very rude and yells all the time and says one thing to be done and then appears suddenly yelling that something else should be done. Yordanka looks about 60 years old is about 160cm tall, has blue eyes and very short male haircut. Yordanka is obese and does not appear to do any work at the kindergarten. She is someone who hides all the time in the basement of the kindergarten and can be found only if one calls via very strange telecom at the so-called kindergarten. I am sure that it is not legal to separate parents from their children, especially children that are under legal age. And at the so-called "Kindergarten Zornitsa" Yordanka and few other women demonstrate that something like this is happening every morning which may be complete lie. I.e. the woman that calls herself Yordanka might be merely a woman who lies that this is a kindergarten together with the woman calling herself Miroslava. Supposedly the "Kindergarten Zornitsa" is located at "Stoian Zaimov" 83 but this might be merely a place where people live. Once women on the inside thought that I am calling out a child via the intercom, and I explained that I am calling out an adult who presents herself as a head of cleaning and calls herself Yordanka. Hence, the woman that calls herself Yordanka in my opinion is merely someone very evil who is trying to lure a very small child with a real name

Yordanka out of her home where her parents are.
I am carrying my personal national identification card with me this whole month of November (thus far) - actually in a paper pocket made from paper with an attached tie by using an adhesive office tape so that I can place it around my neck and check every day if it is with me.
The woman who claims to be Yordanka in the building located in "Stoian Zaimov" 83 (i.e. the so-called "Kindergarden Zornitsa") in the city of Sliven in the country of Bulgaria is told me on Monday (November 2nd, 2026) that perhaps I should work again there this month to receive my social welfare payments and to check the day after.

Additional information

I will submit additional information regarding the adult (a woman) who claims to be Yordanka in "Stoian Zaimov" 83 in the city of Sliven in the country of Bulgaria in my next submission today.
Thank you.
