Details:
Please note that I have recovered from the horror of meeting the man who claims to be Michael Molenda and the woman (his real wife, i.e. virgin) who claims to be Elaine Deery on the internet and in life for about 10 years or more. I and my family managed to recover by drinking holy water from our local church “Saint Bogoroditsa” in the city of Sliven in the country of Bulgaria.

However, my sober estimation of the situation is that the man who claims to be Michael Molenda and the woman (his real wife, i.e. virgin) who claims to be Elaine Deery on the internet and in life for about 10 years or more are pedophiles and may well be and the man who claims to be Stefan Petkov and his wife (i.e. virgin).

I think that these people are from non-UN countries and are criminals that employ the internet and the opportunity to fly to UN from non-UN countries by stealing documents for travel from others, such as passports.

Please note that I found the criminal who claims to be Michael Molenda and Stefan Petkov (from ”Peyo Yavorov”) is actually impersonating and the boss of a company called SQOR.ai using a photo of my own husband Svetle. He is doing it on LinkedIn at the following link:

https://www.linkedin.com/in/lazfuentes

At the same time, his real wife (i.e. virgin) is most likely impersonating the real wife of the real Laz Fuentes.

Please note that my father-in-law Tmothy Burr (with a small name John) from Florida, USA, is most likely impersonated on LinkedIn and Facebook (i.e. social media) by the pedophile who claims to claims to be Michael Molenda and Stefan Petkov (from ”Peyo Yavorov”) the same way, and that his pedophile wife (who claims to be Elaine Deery) is most likely impersonating my own mother-in-law (Annie from the village Neykovo (Kotel municipality) in Bulgaria).

Additional information

Nothing else for now. Thank you.
