Case details

Country where the incident allegedly occured/is occuring/might occur: Bulgaria

Please provide a short chronological summary of the incident: what happened; when (date/time); who was involved?
I would like to let you know that all claims submitted to the United Nations Human Rights Council (Special procedures), i.e. here, have a root cause in the following violation against the Holy Law: a woman is not allowed to return to the house of her father after she conceives her first child,

but is allowed prior to that.
Please note that my biological parents - Mitko Nikolov Mihov and Nadia Hristova Mihova - did not allow me to return to my father's house, i.e. the house of Mitko Nikolov Mihov, before I conceived my first child on January 1st, 2025 (Georgian calendar).
The house of Mitko Nikolov Mihov is located on "Pleven" St. 22 in the city of Sliven, in the country of Bulgaria.
Copy of the biblical law (Jewish law) that states that a woman should not return to her father's house after she conceives and that she is allowed prior to that:
Leviticus 22:13 -
"But if a priest's daughter becomes a widow or gets divorced and has no children, and she returns to live in her father's house as she did when she was young, she may eat from her father's food again. No outsider, however, may eat any of it."
