Details:
Please note that according to me that the woman that claims to be Brenda Claufield and Elaine Deery are the same individual but the woman claiming to carry these two names is overweight on the picture she claims to be Brenda Caulfield.
Please note that I met this woman when I started working for Mastercard in Dublin (the country of Ireland - a country which is part of the European Union but not part of NATO as my home country Bulgaria) in August 2017. I worked there until March 2019 as a Senior Software Engineer. My home country Bulgaria is part of the European Union, the United Nations and NATO.
I suspect that the woman who claims to be Elaine Deery and Brenda Caufield on the internet and in public, that I met at my workplace Mastercard, is actually from a non-UN country, i.e. a country which is not part of the United Nations.
The woman claimed to have the name Elaine Deery at my workplace Mastercard and to be a receptionist (even an employee of Cushman and Wakefield and Mastercard at the same time). My workplace at Mastercard was located at the following address is Ireland: One South County, South County Business Park, Carmanhall and Leopardstown, Dublin 18, D18 E3HR, Ireland. They have provided references for my employment with them to many more employers who hired me after them, including in Ireland and Bulgaria.
The woman who I met at my employment workplace Mastercard has created and a profile on Facebook where she claims to be called Kathy. Photos of my husband Svetle are taken against his will by the same woman when he was asleep or walking somewhere without the knowledge that she is somewhere next to him and posted on the fake FaceBook accounts created by the same woman.
Perhaps there are many more photos, most of them fake, including videos where my husband that the woman I describe frames him not only in scenes of fornication but also and of torture and terrorism against him.
She most likely does that to terrorize his parents, me and our relatives for money.
I would like to clarify that the company Scopic Inc. (formerly Scopic Software) is according to me indeed the company of my father-in-law Timothy Burr with a small name John and his siter Constance Ashton Burr or wife Anna.
Yet, in 2010 someone sent pornography images to my father-in-law John (Timothy Burr) which were a symbol of torture. I am sure that the woman on the pornography images is the same woman I am describing in this case. My diagnosis, as a person who has a bachelor's degree in psychology, is that the woman I am describing in this case is a narcissistic psychopath who suffers from psychopathy for more than 40 years.
Please note that the woman I am describing in this case is old and has naturally blond hair which she dies dark. She is about 1 meter and 80 centimeters tall and her eyes are blue. She is not at all my mother-in-law Anna who is about 1 meter and 75 centimes tall. My mother-in-law Anna also has blue eyes, but dark hair that she dies light blond.

Please note that in recent cases I described a woman who has threatened my mother Nadia Hristova Mihova with suicidal claims which I judge as direct threats against my mother. I suspect that this is the same woman. Hence, I believe that the same woman who threatened my mother in her youth 18-20 years old is the woman who calls herself Elaine Deery, Brenda Caufield, Kathy and from the past - Irina.
Moreover, my belief is that the real husband (virgin) of the woman I am describing in this case is the person I described in case with a reference number: 21jya7zf; i.e. the man who claims to be Michael Molenda and one God knows how many more other people.
I do not believe that the woman described in this case that claims to be Elaine Deery, Brenda Caufield, Kathy, Irina, etc. is a person who is originally from the United Nations, nor her real husband who claims to be Michael Molenda and many other people perhaps as his real spouse.
