Case details

Country where the incident allegedly occured/is occuring/might occur: Bulgaria

District: the city of Sliven

Please provide a short chronological summary of the incident: what happened; when (date/time); who was involved?
Please note that a person claiming to be Michael Molenda when I met him for the first time in the city of Chicago (the United States of America) who looks the following way - brown hair, brown eyes, Caucasian race and about 180 centimeters of heigh - threatened me with the following when I met him occasionally from the period of 2013 to 2019:
1) A nuclear war waged from the country United States of America to the country of Iran (2019)
2) As a human being of female gender, claiming that he believes that in the country of Saudia Arabia, men have the right to kill their spouses if they believe that they commit fornication (2019)
3) By saying that that the country of the United States of America has no other history but of a slave owner and that people of black race are slaves, as well as that he has been thought to be a slaveowner. (2012 in December or January 2013 at a lunch in the Willis Tower restaurant in the city of Chicago, USA)
4) By saying that that he believes the Christophor Columbus has been travelling as a cannibal with other cannibals to the continents of North America before discovering it and that he believes that on the way he has prevailed in eating the most people of his ship and hence that's way he has arrived successfully on the continent of North America (2013, and as far as I remember in 2014 and 2015).
5) By drinking not only his alcohol drink but also and an alcohol drink he said I should have in a bar in 2013 in the city of Chicago of the country of the United States of America (January 2013).
6) By threatening with gestures and grimaces people with my profession in January 2013 - i.e. software programmers. This happened on my birthday on the 29th of January in 2013 in a restaurant called The Zebra in the city of Chicago in the country of the United States of America.
Please note that I had a wallpaper on my computer in the office where I worked then. That means that this man may somehow have entered in the office and used my computer illegally. He presented himself on the floor of my office for the first time in December 2012 as Michael Molenda and has used the name Mike as his short name in front of me. I have no knowledge of any other names that he may carry, content to have or use legally or illegally. At the time I worked in the CME Group's building on the 22nd floor in the city of Chicago in the country of the United States of America then for a company called Bolder Image. The manager of the office claimed to carry the name Marc (a Caucasian man with brown eyes, brown hair and about 172-175 centimeters tall at most) and my colleagues claimed to have the names - Pat (a Caucasian man with blue eyes and blond hair, looking about my age back then, i.e. 27 years' old; about 185 centimeters tall) and Ryan Sanders (a Caucasian man with brown eyes, brown hair and about 175 centimeters tall at most). I started working there in about August 2012 shorting after I had to leave my home on "Pleven" St. 22 in the city of Sliven in the country of Bulgaria. The manager Marc fired me on my birthday on the 29th of January 2013.
In my opinion, the person described in this case as a person calming to be Michael Molenda is a real criminal who is not caught by a legitimate court and has had the belief that he can demolish the home of my own parents since 2000 or earlier. Please note that my home and of my own parents Mitko Nikolov Mihov and Nadia Hristova Mihova may have been stolen since the ruling of a purported judge in the court of Sliven in the country of Bulgaria. I remember very well the look of the woman who was purportedly a judge back then. The woman was about 170 centimeters tall, with a male haircut and eyeglasses.

Has the incident been reported to the relevant authorities? Yes

Please include details of any complaints filed or any other action taken by the alleged victim(s) or anyone else on their behalf?
Yes, I reported the person who claims to be Michael Molenda to the Ministry of Internal Affairs of Bulgaria - more precisely, to the office in the city of Sliven in Bulgaria and the capital city of Sofia in Bulgaria - in approximately November 2025 (i.e. last year). In result, nobody responded in the course of more than a month. Two purported policemen - a younger man (a Caucasian with brown hair, blue eyes and about 180 centimeters tall) who looks about my age appeared with his purported colleague (a much older looking man; very overweight; with white hair and blue eyes and about 175 to 180 centimeters of heights) - appeared on the premises of the building where I rent presently. I rent at my reported present location, i.e. "Dame Gruev" 15, entrance B, floor 5, apartment 5. The owner and landlord described on the contract for rent that I signed on the 6th of March 2025 is Kristian Yordanov Krumov. Kristian Yordanov Krumov merely gave me a notice via the phone software application called Viber that he wants to check the status of his property few days before he arrived with the two purported policemen described above. He never mentioned their intentions and needed lawful or unlawful presence at the property he claims he owns.
The purported policemen did not show their identification (i.e. identification cards) and demanded resolution of the case in regard to the

information I have shared to them about the person who claims to be Michael Molenda (i.e. the person described in the case here).
The older person who purportedly was policeman decided to use the restroom of the property I rented without my permission and the person who was purportedly the other policeman wanted me to discuss the case against Michael Molenda (i.e. the person described in the case here) with him. I saw that what is happening is illegal, including that the behavior of Kristian Yordanov Krumov is illegal as well and explained on the paper sheet provided the younger man who claimed to be a policeman that the claims he brings in the printed papers he carries are baseless and refused to read what he carries in his hands. The younger man who purportedly was a policeman also did not request to see my identification card; hence he was there to receive a signature from literally anyone.
Hence, I believe that the government of Bulgaria has officially and formally not taken any action in a legal way.

Has the Government taken action to prevent or investigate the incident, punish the perpetrators, or ensure compensation to the alleged victim(s)? No

Is this case under consideration by any other international or regional body? Don't know

poverty

22
Most of all, I would like to let you know that me and my family (i.e. my parents and direct relatives) are believed to have no home by people that trespass the law of legitimate courts and God.

Perpetrators

Please specify the number of alleged perpetrators: 1

Is the identity/occupation of the alleged perpetrator(s) known? No

Were the alleged perpetrators State agents or believed to be State agents? Don't know

If an identification as State agents is not possible, why is it not possible and do you believe that Government authorities or persons linked to them are responsible for the incident?
I am not aware of any factual information proving the real legal name of the person who claims to be Michael Molenda, i.e. Mike for short. I am referring to the person described in this case - about 180 centimeters tall, brown eye color, brown hair (purportedly because the hair may have been died. Please note that the same person looks much older than me.
