Has the incident been reported to the relevant authorities? No

Has the Government taken action to prevent or investigate the incident, punish the perpetrators, or ensure compensation to the alleged victim(s)? No

Is this case under consideration by any other international or regional body? Don't know

freedom of peaceful assembly and of association

In what type of activity/ies is the alleged victim (person(s) or organization) engaged?
The two women Brenda Caufield and Elaine Deery are harlots claiming another man to be their husband. They commit mortal sins and I would like to warn the broader community of the world about their activities before the homes of other homes are marred by the mortal sins committed by Brenda Caufield and Elaine Deery. Chances are that they or people like them or their real husbands falsify the birth year of my husband Svetle on the internet and in principle.

torture

Please indicate where the person was seized (city, province, etc.) and location at which the torture was carried out, if known.
Harlots like Brenda Caufield and Elaine Deery are from hell as described in the Holy Bible.

Indication of the forces carrying out the torture.
The harlots Brenda Caufield and Elaine Deery carry out their torture by falsifying information about my own husband on the internet and perhaps in person in front of other people.

Description of the form and methods of torture used abd any injury sustained as a result.
Please see above.

Were any person, such as a lawyer, relatives or friends, permitted to see the alleged victim(s) during detention? If so, how long after the arrest?
No, no detention is applicable.

What was believed to be the purpose of the torture?
The harlots Brenda Caufield and Elaine Deery carry out torture because of their weak personalities and the shortcomings in their own characters.

Was the alleged victim(s) examined by a doctor at any point during or after victim's ordeal? If so, when? Was the examination performed by a prison or government doctor?
No, no doctor intervention was necessary.

Was appropriate treatment received for injuries sustained as a result of the torture?
No, no doctor intervention was necessary. I am a Psychologist and know very well how to deal with people suffering from psychopathy such as the people Brenda Caufield and Elaine Deery. The Holy Bible though describes such people much more accurately, calling them harlots. Pay attention that psychopathy is a life-long disease and it is almost incurable.

Was the examination performed in a manner which would enable the doctor to detect evidence of injuries sustained as a result of the torture? Were any medical reports or certificates issued? If so, what did the reports reveal?
No injuries were sustained thank to God. My family and my parents are believers in Jesus Christ our Savior and the Lord and we do not believe harlots from hell such as Brenda Caufield and Elaine Deery.

If the alleged victim(s) died in custody, was an autopsy or forensic examination performed and which were the results?
No, me and my family and parents were never in custody because of the harlots Brenda Caufield and Elaine Deery.
