Details:
Please note that I am very religious and in my opinion the man and woman described in case with a reference number 41uiy33i are a werewolf and a she-werewolf. I.e. I believe that the man who claims to be Michael Molenda and his virgin who claims to be Elaine Deery, Brenda Caufield, Irina etc. are a werewolf and a she-werewolf.
A werewolf is a human who can transform into a wolf or wolf-human hybrid, typically linked to curses, full-moon transformations, and widespread European believes, especially among people of the faith. According to Christians, creatures of the kind of werewolf are human beings created by Satan after they have trespassed the God's 10 commandments for thousands of years.
A creature of the kind a werewolf transforms into a werewolf when it is completely dark and cannot stand the light because it transforms it again into a human.
The transformation into a damned one (i.e. a werewolf) is due to the fact that a werewolf creature has genetic mutations and transformations in its genetic make-up caused by thousands of years of sins, the human it was originally, has committed.
Please note that I believe that all other people mentioned by me in the previous cases that I submitted to the United Nations are victims.
The werewolf and the she-werewolf appear into the world only as one couple because they cannot tolerate others of such nature and believe to exterminate them which as a matter of fact saves them from the damnation of Hell - i.e. the damnation of being transformed into a werewolf creature.
The Christian church fights the appearance of the werewolf (a creature created by Satan from the transformation of a human being) with the help of Holy water. Holy water is water which is poured into silver containers or cups. Water poured into silver containers is instantaneously absorbed with milligrams of silver which is a potent disinfectant and repels instantaneously the damned (i.e. a werewolf and a she-werewolf). Holy water should be drunk at least weekly, and one should sprinkle holy water in their home at least every 40 days to sanctify their home.
Most of all, humankind defends themselves against the sign of Satan - i.e. apparition of a werewolf and a she-werewolf - by keeping the Shabbatt holy and the Sabbatical year holy.
Shabbat (שבת) begins every Friday evening (before sunset) and ends every Saturday before sunset. During that time no one should work, use electricity in their home and cook, nor exit from their home. Food should be prepared and in the home in advance. On Shabbat it is forbidden to travel anywhere.
The Sabbatical year is a mandatory year of rest that appears after every 6 years. During the Sabbatical year nobody should work and travel.
The next Sabbatical year begins on September 20th, 2028, and ends on September 9th, 2029.
Without any questioning, all Christians are vegans - i.e. eat only bread, fruit and vegetables. That helps Christians (and perhaps people from many other world religions) to fight the work of Satan such as the apparition in the world of a werewolf and his virgin - a she-werewolf.

Additional information

That is all for now. Thank you for your help, i.e. being here.

One note on Ireland and the United Kingdom - please note both countries are weekend by the werewolf and the she-werewolf. Ireland is still not part of NATO, and the UK exited the UN. Any sign of the disunion is the work of Satan.
Any country outside of the UN where there is chaos, lawlessness and anarchy, no churches (temples of worship), and no libraries, are where the werewolf and the she-werewolf may be hiding when humanity prevails over them.

Please note that the werewolf and his she-werewolf move in cities using aqueducts and ventilations systems; between cities - using cargo divisions of airplanes and ships.

It is paramount to avoid desolate places where there are no human beings. Human civilization is created by God. Never stay alone all day at home, work from the local library if you work from home or a lonely office. At the library, there are people. Go regularly to the local church. Drink water at home from a silver cup if you can. Also wear a silver cross (or symbol of your faith) with a silver chain as a necklace and take shower without removing it. That helps to bring micrograms of silver in the aqueduct of your building and sanctify it against the werewolf and his she-werewolf. When the silver necklace is cut or the silver on it is depleted (if that ever happens), replace it immediately.

Remember, a werewolf and a she-werewolf appear only one couple at a time in the world, and it takes thousands of years to repel them, and it is not clear if their DNA can be remedied to a human DNA.
